## God (Part 11)

### Attributes: What Is He Like?

#### *God Is Righteous and Just*

##### ➤ *What Does This Mean?*

- There is nothing in God's nature that violates His perfect ethical and moral standard.
- God is always right and just in His relationships and dealings with people.

##### ➤ *Where Do We See This in Scripture?*

- Pharaoh acknowledged "This time I have sinned; the Lord is in the right" ([Ex. 9:27](#)).
- Speaking of God, Moses said, "His work is perfect, for all his ways are justice...just and upright is he" ([Deut. 32:4](#)).
- After the leaders of Israel faced God's judgment, they acknowledged "The Lord is righteous" ([II Chron. 12:6](#)).
- "The Lord is righteous, He loves righteous deeds" ([Ps. 11:7](#)).
- "Righteousness and justice are the foundation of his throne" ([Ps. 97:2](#); note [Acts 17:31](#); [Rev. 16:7](#)).
- God punishes the guilty and helps the innocent ([Ps. 7:8-11](#)).

##### ➤ *What Does This Mean for Me?*

- ⇒ We must recognize that the just punishment we deserve for our sin was taken by Christ on the cross. He took our place, and for that we are forever indebted to Him.
- ⇒ God's righteousness is revealed through rewards for obedience. We must remember that God sees and rewards our righteous actions (note [Heb. 6:10](#)).
- ⇒ The fact of God's righteousness and justice gives us confidence that, in the end, what is good and right will prevail over what is evil.
