God (Part 12)
Attributes: What Is He Like?

God Is Gracious

➤ **What Does This Mean?**

- God gives mankind “unmerited favor.”
- Grace is giving someone something that they do not deserve. In fact, grace is showing someone kindness who in actuality deserves the opposite.
- God has the right to decide who receives His grace.

➤ **Where Do We See This in Scripture?**

- Paul recognized the “immeasurable riches of His grace” (Eph. 2:7).
- Concerning salvation: “By grace you have been saved through faith” (Eph. 2:8-9).
- Grace is always given completely separate from doing good works. Grace cannot be earned (Rom. 11:6).
- God determines who will receive His grace: “I will be gracious to whom I will be gracious” (Ex. 33:19).
- All of the blessings we have in Christ are given by God’s grace: “For you know the grace of our Lord Jesus Christ...for your sake he became poor, so that you by his poverty might become rich” (II Cor. 8:9).

➤ **What Does This Mean for Me?**

- ⇒ Since grace is offered apart from anything we can do to deserve it, we must recognize that every act of grace is a display of God’s great love for us.
- ⇒ We should recognize the acts of God’s grace in our lives and take moments on a continual basis to thank Him and show Him our appreciation.
- ⇒ Experiencing salvation should lead to a willingness to show kindness and offer forgiveness to others, even if they do not deserve it.
